RESIDENTS OF IRVINGTON

Halloween trick-or-treating is not a Town event, and the Town is not canceling general trick-or-treating activities.

Irvington residents choosing NOT to participate in certain Halloween activities, such as trick-or-treating, are encouraged to:

- **TURN OFF EXTERIOR LIGHTS IF YOU DO NOT PLAN TO GIVE OUT CANDY**

Irvington residents considering house to house trick-or-treating which the Virginia Department of Health considers a highest risk activity are encouraged to:

- **TURN ON EXTERIOR LIGHTS IF YOU PLAN TO GIVE OUT CANDY**

Due to the current COVID-19 health crisis, the Town of Irvington strongly encourages any residents or visitors who choose to participate to follow the **VDH Interim Guidance for Participating in Halloween Events.**
